Back off, man, here's  
a different set of jaws  
Just when you thought it was safe to go back into the water  
he's back!  
This time — he wins!  
Women cry for it; men die for it  
In space, no one can hear you scream.  
No guy ever had so much fun  
coming to Earth  
The Eighth Wonder of the World!  
King of the Monsters!  
based on the best-selling novel  
from the King of Suspense  
there's a little bit of him in all of us.  
No one will be seated after the first 20 minutes  
It'll go straight to your heart  
what actually happens!  
They're back  
together again at last!  
she mates and she kills.  
They'll get you in the end.  
Love means never having to say you're sorry.
