

You're
home now, flying through the blue
sky, landing for a moment on my windowsill just to let me
know that you're alright. And I love you
still, and I guess I
always will.
Funny
how

you're
closer to me now.
The distance never mattered
anyhow. I'm alright,
you're alright. Things are just the way they're
meant to be. I'm a part of
you, you've
always
been
a

part
of me. But now I see. What
I thought I lost I truly found because
now, you're home
flying through the blue sky, landing for a
moment on my windowsill.
Just a little
sparkle in my
baby's
eyes.
